PVC SCH40 Fittings

Long Lasting PVC DWV Fittings with High-Quality Performance

- Designed for most industrial and residential needs.
- Renowned for strength and superior enhanced performance, our pressure plastic fittings are tested under real-world "cyclic" pressure conditions.
- Pressure plastic fittings offer smoother inner walls for low-pressure drops and excellent resistance to chemicals and corrosion.
- Diameters from 1-1/4" - 6".

Certifications and Approvals

- Meets applicable ASTM Standards: D2466, D1784, and F1498
- Meets NSF/ANSI standards 14 and 61 for use with potable water

Symbols

S allows the pipe to slide into the end

SP The end that fits inside a socket

FIPT Female pipe thread

MIPT Male pipe thread

Female Adapters (FPT x S)

PART #	OD - DESCRIPTION	BOX QTY	WT (LB)	WT (G)
NP-435-005	1/2" Female Adapter	10	0.04	18.1

FAST ORDER TURNAROUND

Our Operations Center is strategically located in the Memphis, Tennessee metro area to streamline delivery and bolster the customer service that NDL is known for throughout the industry.

We Focus on Quality and Service So You Can Install with Confidence.

Since 1998, it has been our mission to stay ahead of the curve as an industry leader in the HVAC, Refrigeration, and Plumbing markets. We have achieved this over the years by placing a heavy emphasis on quality, innovation, and maintaining a global team of experienced professionals to deliver top-notch service. We continue to hold ourselves to the highest standards, never sacrificing our commitment to our customers or our product that has what made us the company we are today.

What you can expect from us:

- Fast order turnaround
- Real-time order communications
- Field-experienced sales and technical support
- Parts packaged in contractor-friendly sized bags
- High-quality control standards for superior fit and finish

Innovative HVAC-R Products That Exceed Expectations.

We began our journey looking for the best ACR copper fitting and we engineered a design that now exceeds industry standards. We maintain the same high-quality standards and performance expectations with our filter driers, refrigeration ball valves, and other HVAC and refrigeration products.

Learn more about our high-quality products with zero reported failures at ndlinc.com.
